About the Project

The project will feature six, very unique and individually inspired islands, each with its own distinctive theme and flavor.

The focus of our resort is based upon health and wellness, and there will be no better place to feel this in everything around you, here. From the beautiful promenade along the river bed to the sea and sandy beach cove, or the bicycle path, to the high quality amenities and facilities, you will feel a better version of yourself.

And, it's not just the resort and its ability to make you feel at home, our properties are quite unique too. Whether you own a studio or a luxury villa inside of the lagoon, the quality of construction and finishing will also make you feel special. Each and every property will be built to a high standard, offering high ceilings to capture light and space, with floor to ceiling windows. High quality fixtures and fittings are standard, with choices of flooring and ceramics. Floor heating will be installed to bathrooms, and rooftop terraces will come with private plunge pools, summer outdoor kitchens, showers and BBQ areas.

Our on-site teams are available to you for those all important details and tasks such as laundry, booking a taxi or offering your guests a warm welcome. Just ask and we can accommodate. The special app makes it all so easy.
