# About the Project

The residential enclave comprises 10 exquisite two-story villas, each boasting 3 or 4 bedrooms and featuring its own private swimming pool. These luxurious villas are ready for occupancy, and with a prepayment, the process of preparing the garden, connecting utilities such as electricity and water, can be completed within a mere 2 weeks, allowing you to seamlessly transition into your new home. Conveniently situated within walking distance to the sea, future plans include the construction of a private sandy beach and marina within the next 2-3 years. Accessible exclusively to residents of the complex, the beach offers a secluded and exclusive retreat.
