The project also boasts a 7,000m² green area, perfect for an amphitheater, skating, and a park, complemented by a bicycle road leading to the nearby beach.

Nature is seamlessly integrated into the design, with trees separating the four blocks and 18 meters between them horizontally and 50 meters vertically. A total of 10 common pools, ranging from adult swimming pools (1,100m²) to kids' pools, offer a variety of leisure options.

A three-floor building, starting 10 meters from the ground, features a kindergarten on the ground level, a gym and wellness spa on the first level, a pool and restaurant on the second level, and a rooftop terrace on the third level.
