על הפרוייקט

Discover an elegant classic-style villa in Bellapais, where timeless design meets practicality. Enjoy sweeping sea and mountain views from the generous balconies. This unique property offers flexibility with separate entrances for the first and second floors, making it ideal for dual living or a cohesive residence.

The first floor features two bedrooms, two bathrooms, and a seamless living space with an integrated kitchen. On the second floor, find a masterfully designed layout with one bedroom, two bathrooms, and a spacious living area, all connected to a well-appointed kitchen. The price includes white goods, air conditions and some furniture.

Surrounded by lush fruit trees, the expansive garden sets a serene backdrop. Additionally, the property includes a covered garage or a separate dwelling for staff. Located for convenience, quick access to Kyrenia and Nicosia ensures a harmonious balance of tranquility and urban amenities.

Escape to this refined villa, a harmonious blend of classic charm and contemporary living, offering a canvas for a life embraced by natural beauty.
