Project Location

Project is located on the hills of Alsancak in Incesu.

About the Project

Situated just 1km south of Alsancak Central, near the border of İncesu Village and the adjacent forest, this distinctive residential project harmonizes modern living with natural tranquility. With easy access to Kyrenia and other cities via the motorway, the location offers a serene retreat within reach of the developing Alsancak area.

Comprising 32 residences, including 20 3+1 duplex villas and 12 2+1 duplex row houses, the project seamlessly blends rural and modern aesthetics. Each residence features a functional layout, emphasizing privacy while providing direct access to communal areas like the pool, terraces, and cafés.

Built with nature-friendly materials, the houses boast double glazed aluminum windows, custom ceilings, and high-end finishes like parquet and marble floors. Additional amenities include central heating/cooling, solar hot water, enclosed garages, and a communal pool. The project is equipped with satellite/internet/phone infrastructure, ensuring seamless connectivity.

This development offers a unique opportunity to own a home that integrates contemporary comforts with the peaceful ambiance of the adjacent forest, providing a sophisticated yet nature-centric lifestyle.
